

PRODUCT CODE 6787

Tractor Sparc Advanced

Asian Paints Tractor Sparc Advanced economy emulsion is an interior paint that provides value for money to a Distemper customer. It gives a smooth finish to your walls.

WATER BASED

asianpaints
LEAD FREE* GUARANTEE

* All Asian Paints products contain no added Lead, Mercury, Arsenic or Chromium from April 2008.

PRODUCT BENEFITS

Perfect Economy Emulsion

Tractor Sparc Advanced economy emulsion is the easiest way to upgrade from distempers. It offers finish of a plastic paint at a cost very near to distemper. It gives a coverage higher than Distemper, hence requiring less material. It also lasts for at least 2-3 years, so you don't have to paint that often.

Smooth finish

Tractor Sparc Advanced offers your walls a smooth emulsion finish, making it an ideal value for money paint.

Better Whiteness and hiding

Tractor Sparc Advanced offers higher whiteness and hiding as compared to regular economy emulsion and distempers.

COVERAGE

On normal masonry surface after brushing

1 COAT

240 - 260
sq.ft/ltr**

2 COATS

120 - 140
sq.ft/ltr**

** Coverage : when applied as per recommended process in PIS. Actual coverage may vary from the quoted value due to factors such as method and condition of application and surface roughness and porosity.

HOW TO APPLY

PRE PAINTING STEPS

PLASTER New masonry surfaces must be allowed to cure completely. It is recommended to allow 28 days as the curing time for new masonry surfaces.

CLEANING Surface should be free from any loose paint, dust or grease. Growths of fungus, algae or moss should be removed by wire brushing and water. In case of areas having excessive dampness use Asian Paints DampBlock to limit further dampness.

FILLING FOR CRACKS For filling cracks upto 3mm use Asian Paints SmartCare Exterior Sealer.

FILLING FOR HOLES & DENTS In case of dents and holes use Asian Paints Acrylic Wall Putty or white cement and fine sand in the ratio 1:3 For interior surfaces or substrates that are subjected to continuous seepage or dampness, kindly use Asian Paints SmartCare Damp Block before the top coat application.

PAINT APPLICATION PROCESS

APPLICATION

STEP 1
